

First Then Visual Schedule

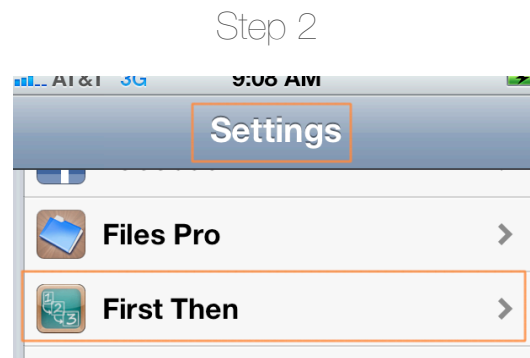

Tutorial: Checklist Feature

Turning on and off the CHECKLIST feature:

Step 1: Tap the SETTINGS icon on the main page of your device.

Step 2: Once in the settings menu, scroll all the way down until you see the icon for First Then Visual Schedule.

Step 3: Slide the OFF button the Checklist button to ON.

Step 4: Now exit the settings menu and re-open First-Then app. The checklist feature will now be activated.
