

**Q. How do I add an image to the "Choice Board?"**

**A.** Yes, you can add your own images to "My Choice Board". You can add them from the camera on the iPhone or from images saved from your camera roll.

**Step 1:** Select Edit Choices from the main menu.

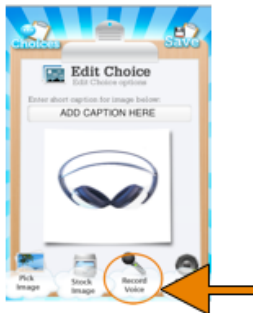

**Step 2:** Select the board you wish you to add an image to.

**Step 3:** Select an image that you wish to add to the choice board.

**Step 4:** After selecting an image and adding a caption, tap "record voice" to add sound to the image.

**Step 5:** Touch the red button to record your voice.

**Step 6:** When finished recording your voice click "SAVE" to return to editing page.

**Step 7:** Click "SAVE" one more time to add the sound to the image and return to the schedule you are adding the image to.

Image is now added to the choice board.
