

Q. How do I create a "Book" filled with VSDs?

A. You can follow the following steps to create a book.

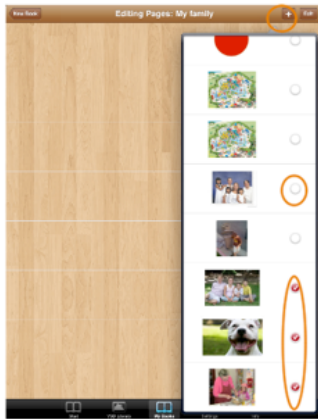

STEP 1: Go to "Books" and tap the (+) in the top left corner

STEP 2: Give the "Book" a name and then tap "Edit Pages" to add VSD's to the book.

STEP 3: Tap the (+) at the top right of the page. A list of the VSDs will appear. Tap the circle next to image to select VSD for the book.

STEP 4: Simply tap anywhere on the screen to the left of the VSD list and images will be added to the Book.
